About the Book

This book, "Financial Management," is designed to equip readers with the knowledge and tools necessary to navigate the intricacies of finance. From understanding the role of financial management to delving into ethical considerations, we lay a solid foundation for your financial journey. As you progress through the chapters, you will learn about financial planning, time value of money, financial analysis, and capital budgeting, and financing strategies. Each chapter offers practical insights and real-world examples to reinforce your understanding.
