About the Book

This Book with the title 'Mathematical Modelling' covers the fundamentals of Mathematical Modelling. The four chapters of this book were written in an easily digestible and reproducible format with required information. An effort has been made to present the book in this form and if it proves helpful to the students, we shall consider our effort has been amply rewarded. - We owe a debt of gratitude to our colleagues, who were chiefly instrumental in favouring us to undertake this work. - Valuable comments and Suggestions for the book will be acknowledged with thanks.
