**About the Book**

This Book with the title 'Research Methodology and Publication Ethics basics' covers the Research Methodology and Publication Ethics. The six chapters of this book were written in an easily digestible and reproducible format with the required information. An effort has been made to present the book in this form and if it proves helpful to the students, we shall consider my effort has been amply rewarded. - We owe a debt of gratitude to our colleagues, who were chiefly instrumental in favoring us to undertake this work. - Valuable comments and Suggestions for the book will be acknowledged with thanks.
