650

**About the Book**

This Book with the title 'Introduction to Data Science' is designed to provide you with a comprehensive introduction to the field of Data analytics, equipping you with the foundational knowledge and tools needed to navigate the world of data-driven decision-making. The seven chapters' of this book was written in an easily digestible and reproducible format with required information. An effort has been made to present the book in this form and if it proves helpful to the students, we shall consider my effort has been amply rewarded.

# Cover Page

Dr. Rudra Kumar Madapuri is working as a Professor in the Computer Science and Engineering Department, G Pullaiah College of Engineering and Technology, Kurnool, Andhra Pradesh, India. He received a B. Tech. degree in Computer Science and Engineering from Sri Venkateswara University, Tirupati, Andhra Pradesh, India. He received M. Tech. degree from Jawaharlal Nehru Technological University, Anantapur, Andhra Pradesh, India. He received Ph.D. from Jawaharlal Nehru Technological University, Anantapur, Andhra Pradesh, India. Rudra Kumar has published many research papers in national and international journals and conferences. He authored four books and also had patents. His main research interest includes Software Engineering, Artificial Intelligence, Machine Learning, and Data Science. He can be available at: [mrudrakumar@gmail.com](mailto:mrudrakumar@gmail.com)

Dr. K. Eswara Rao received the Doctorate degree in Computer Science and Engineering (CSE) from GITAM University, Visakhapatnam, AP, India, in 2023, and the Master's degree in Computer Science and Engineering specialization in Neural Networks (CSE-NN) from JNT University, Kakinada, AP, India, in 2009. He is currently working as Associate Professor in Aditya Institute of Technology and Management (AITAM), Tekkali, Srikakulam. His research interests include Machine Learning, Data Mining, Data Analytics, Operating System. He has published numerous conference proceedings as well as published Scopus, WOS, Google Scholars indexed papers. He acts as reviewer of reputed journals and had a membership in reputed societies. He can be available at email: [eswarakoppala@gmail.com](mailto:eswarakoppala@gmail.com)

Dr. K. Venkateswara Raju, B. Sc (M P S), M.Sc. (Applied Mathematics), M.Phil., Ph.D., has impeccable academic credentials. Besides teaching mathematics, he has been actively involved in research projects and publications for more than 37 years to undergraduates and post-graduates. His research interests include Heat and Mass transform, PDE, Nanofluids, and Statistical concepts. He has published SCOPUS, WOS, and conference proceedings with a good Impact factor. He has also presented research papers at prestigious National and international conferences nationwide. He is acting as a reviewer of reputed journals and has a membership in reputed Societies. He can be available at email: [venky.sakku@gmail.com](mailto:venky.sakku@gmail.com)

Dr. Navaneeth Bhaskar received the BE and M.Tech degree in Electronics from Visvesvaraya Technological University, and Ph.D degree in Machine Learning from Vellore Institute of Technology (VIT University), in 2020. Currently, he is working as Associate Professor in the Department of Computer Science and Engineering (Data Science) at Sahyadri College of Engineering and Management, Mangalore. His research interests include Artificial Intelligence, Machine Learning, Data Analytics, IoT and Signal Processing. He has delivered numerous technical talks on Artificial Intelligence and Machine learning for students and faculties. He has published many papers in IEEE, Elsevier and other reputed journals and also in national and international conferences. He has filed several patents in India and abroad. He was also on the technical committee and chaired several national and international conferences. He is a life member of the Data Science Association and the International Association of Engineers. He can be contacted at email: [navbskr@gmail.com](mailto:navbskr@gmail.com)
